SUFFERED FRIGHTFULLY

CATARR OF STOMACH

PE-RU-NAMADE A NEW MAN OF HIM

recommend Peruna to all my friends and to all who may read this who may be suffering from that dread disease, catarrh of the stomach. I have suffered from it frightfully. I tried all sorts of medicine, but derived no benefit from any. At last a Deputy Collector of the Port, who had obtained great benefit from the use of Peruna advised me to try it. I did so and felt good effects from the start. I have taken so far four bottles and it has done me good. I feel like a new man and enjoy life now, something that I have not done before for months."-W. P. WAND. Mrs. Catherine R. Bertos, Rec. Sec., Camp No. 1, Patriotic Order of America, writes from No. 803 West Elm Street, Cen-

tralia, Ill.:

C ATARRH of the stomach is one of the most common diseases of modern times. This disease is generally known as dyspepsia. At first people try to care themselves by dieting or using some of themselves by dieting of tasing some of the many pills and powders recom-mended for this affection. After that generally a doctor is consulted. The stom-ach is oscultated, the liver thumped and the blame fastened upon some one of the digestive organs.

Many of these people go the rounds from doctor to doctor without receiving any benefit. Sooner or later they are bound to hear of Peruna. It would not be possible to find any

town or city in this country where some-one could not be found who has been cured of catarrh of the stomach by Peruna. Once cured these people continue to re-commend Peruna as long as they live. In this way the dyspepsia victim is sure to hear of Peruna. The news of Peruna's virtues is spread among the people by those who have used it and have been those who have used it and have been cured which is a thousand times more effective than all the advertisements in the world. Having heard that Peruna cured some one else he tries it. His ex-

slete cure. What the doctor has called dyspepsia or liver complaint or indigestion was catarrh of the stomach all the while. All that the patient needed was a remedy that would cure catarrh wherever located. This is the sort of a remedy that Feruna is. Peruna cures catarrh by remov-

"I have found Peruna the most satisfying medicine I ever tried in my life. I suffered for years with catarrh of the stomach, which became aggravated every time I caught a slight cold. My food did not digest properly and life lost its best charm until I tried Feruna. It made a

new woman of me. It took eight bottles to effect a complete cure, but I would not be back in the former condition for a thousand dollars. "I am most grateful for being cured completely and feel better than I have for years."—Catherine R. Bertos.

Congressman Willis Brewer.

Hon. Willis Brewer, of Hayneville, Ala., in a recent letterr, says: "I have used one bottle of Peruna for lassitude and I take pleasure in recommending it to those who need a good remedy. As a tonic it is excellent. In the short time I have used it Peruna has done me a great
